

Vispectiv AG

**5000 Aarau, Switzerland
Bahnhofstrasse 10**

vispectiv AG

Turn Key system solutions

Remote Sensing	Surveillance	Tracking	Management Systems	Power Solutions	Installation	Service
Smoke detection	Incident Monitoring	Vehicle Tracking	Dispatching System interface	Photovoltaic power	Infrastructure preparation	Documentation
Geo Sense	Border Control	Vehicle service monitoring	Fire Propagation interface	Wind-Power system	Static Calculation	Training
Tree Observe	Object security	Rescue team tracking	GIS interface	Hydrogen Fuel Cell	Coverage planning	Spare Parts
Meteo Data		Object tracking	GIS Location Simulation	UPS Systems	Network planning	Insurance
			Real time Material Management		Setup and acceptance	Maintenance
			Resources Management			Hotline
						On Site Repair

Data Acquisition for Emergency response

vispectiv AG History & Experience

2001 - 2007

2003 - 2013

since 2013

vispectiv AG History & Experience

Swiss

2003 Start International Marketing of AWFS (Fire Watch) Smoke detection system.

2005 Start Development Forest Ranger in order to meet the Requirements of the Wildfire Fighter in Mediterranean Area in regards to Location, Fire Management Interface, Fire Monitoring, interactive Fire Team Command Control.

2007 Release of the commercial Forest Ranger

2014 (July) Release of new Generation Forest Ranger providing additional Functionalities like Geo Sensing , Tree Observe..

- see Vispectiv AG-

vispectiv AG History & Experience

2013 Changing Fire Watch
company name to vispectiv AG

2014 (July) Release of new
Generation Forest Ranger
providing additional Functionalities
like Geo Sensing , Tree Observe..

..more Value Added Functionalities
are in development.

Service Strategy

Full Service concept:

7/24 Service concept with 5 years full replacement protection.

24hrs MTTR response

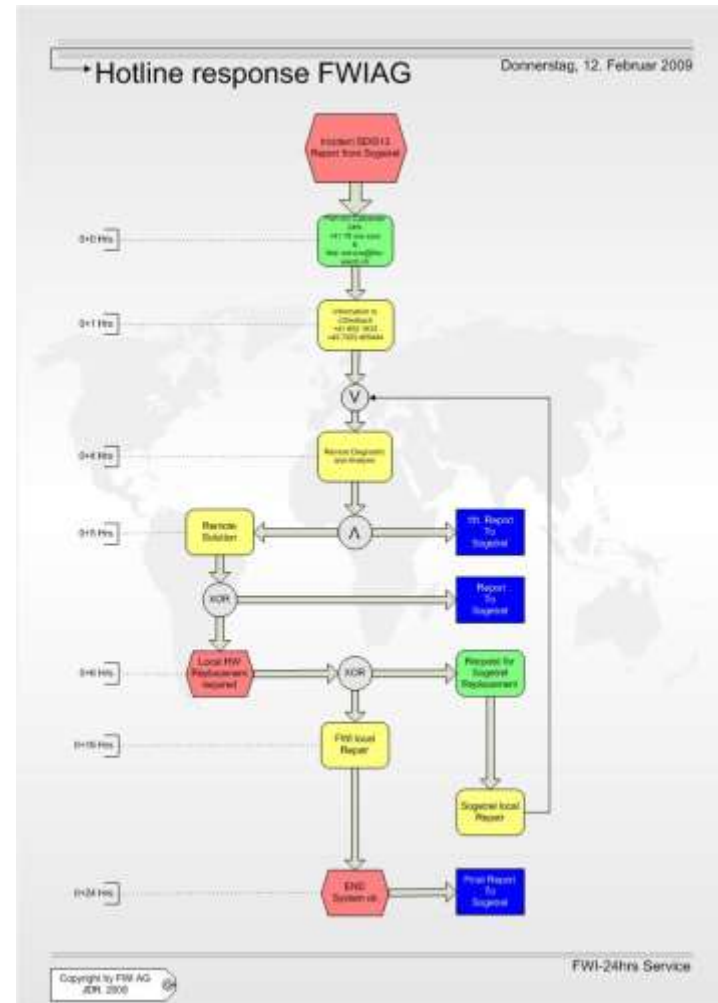

Full spare part service

Level 1 (preventive on site),

Level 2

Remote access

This Procedure is since 5 years successful in operation at France.

- Control Center (CODIS) in the operation room SDIS13

Outlooks Reganaz & Bertagne (France)

Outlook St. Croix

Sensor La Saoupe

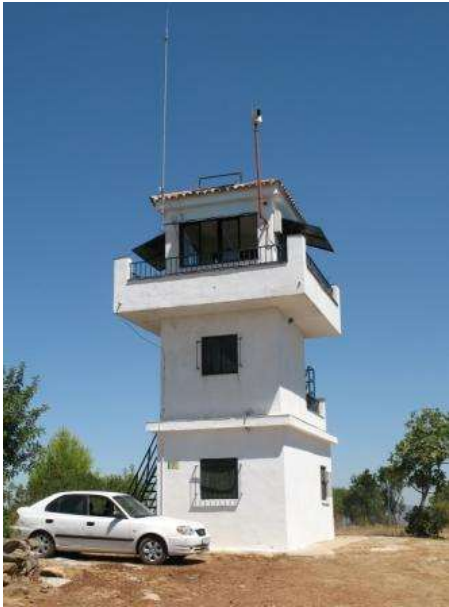

Outlook Marseillais

Sensor Grand Puech

Outlook Cordoba Los Vilares (Spain)
